

CONTRACTING & CONSTRUCTION INSURANCE

At Wine Sergi, we are dedicated to working with contractors to deliver innovative risk management solutions and intelligent, cost-effective business insurance and executive benefit programs tailored to fit your unique needs. We offer a full-range of products including: General Liability, Professional Liability, Employment Practices Liability, Property, Workers' Compensation and Bonding for contracting and construction accounts. The combinations of top-rated insurance companies that we represent are not only competent but provide competitive, affordable insurance products and resources to allow you to bid successfully. These insurers provide the in-depth knowledge of the contracting industry that is so vital to protecting your business!

We are well aware that contractors are obligated to complete the requirements as set forth in the signed contract documents. As your agent, we review the insurance specifications contained in the contracts and design your insurance program to conform to those contractual requirements. We also work with your employees...

- To review Certificates of Insurance--including design and maintenance of a program to review certificates from your suppliers and subcontractors...
- We will also develop a Job Costing formula to enable you to evaluate your insurance costs for inclusion in your job estimates...
- We assist in Claim Evaluation and work with your insurance company to determine the accuracy of loss reserves and claim protocol methods...
- Assistance in developing safety programs by coordinating the best use of the insurance company loss and safety resources and by enlisting the assistance of our Safety Consultants

We will design your insurance program and will focus on the unique needs of your company. Wine Sergi Insurance has been "Connecting Our Contracting Clients to the Right Insurance for over 80 years". Let us connect you to one of our competitive programs.
