

GROUP HEALTH INSURANCE

- INDUSTRY LEADING GROUP HEALTH INSURANCE

The cost and availability of affordable health insurance has been a top priority for employers and employees across the nation. Wine Sergi’s Group Health Insurance Specialists recognize this growing need and bring your business comprehensive and industry-leading group health insurance.

Whether your business has two employees or 2,000 employees, Wine Sergi has the resources and expertise required to customize an appropriate health insurance program. We offer a host of other services and products that make implementing and administering a group benefits program attractive and cost-effective for both employers and employees. Such services include:

- COBRA Administration
- Health Reimbursement Arrangements (HRA)
- Group Health Savings Accounts (HSA)
- Flexible Spending Accounts (FSA)
- Health Maintenance Organizations (HMO)
- Dental
- Vision
- Disability
- Monthly HR Newsletter
- Benefits Benchmarking
- Benefits Administration
- Comprehensive Compliance Review
- Long Term Care
- Online Access for Employees
